Re: Faraday Hosseinipour

Dear Judge Stivers,

I'm a journalist, TV Host, author, and video producer for more than 30 years. I'd like to share a little about Faraday Hosseinipour.

I met Faraday in 2012. She is an excellent leader in a business, Travelution, that I produced compliance videos for. She was always available to help her team and worked diligently to ensure they were supported. She leads by example and always puts others first.

Over the years since then that I have come into contact with her again, she has always shown herself to be a forthright, honest and upstanding individual. She cares about people and animals. She has a caring heart and supports her mom and the rest of her family as best she can. She serves her family and others, putting them first. She is one of the kindest people I've met. And she is also an extremely hard worker in whatever she chooses to pursue.

I also had the chance to attend several Travelution events. To me, Faraday operates her business, Travelution, with integrity and honesty, always keeping the proper compliance in place and following legal guidance.

Thank you for your time and the chance to share my opinion about Faraday.

Respectfully,
John Daly
