

on. She never stops. She is continually thinking of others, that's just who she is. When we did have informal meetings about travel it was always how can we as a whole be better, what can we do to help each other. Together we thrive!

We have a lot in common, we have a little rescue chihuahua that my daughter took in several years ago and Faraday does too. Ironically they are both named Sammie. Faraday actually has 2 rescue chihuahuas and 4 rescue cats. Her heart is so big for animals especially those she finds that are in need of a good home. Honestly I wouldn't mind being one her rescues, they've got it made like kings and queens.

Faraday is an upstanding lady and law abiding citizen who would never deceive anyone. She has always shown herself trustworthy, caring and more than helpful for those in need.

I am sincerely asking you for leniency in this case against Faraday, please do not sentence her to prison. She would never have anything to do with anyone or company that would take advantage of anyone ever.

Thank you for taking your time to read my letter about my relationship with Faraday and her family, I appreciate that. Please reach out to me if you would like.

Sincerely,
