United States District Court for the Western District of Kentucky
IN RE: CRIMINAL ACTION 4:17-CR-00012-GNS (USA v. Maike et al)

Dear Judge Stivers,

I am writing this letter to tell you about my dear sister-in-law Faraday Hosseinipour. I want to bring to light how kind of a person she is, despite the allegations she is facing right now. I've known her for over 20 years as a part of our family. In those years I can truly say she is an honest, caring and loving person. Faraday has always impressed me with her loyalty and sweet spirit. She is a true lady that would never take advantage of anyone. She is God-fearing. She is true to her words and respectful.

As a brother-in-law to Faraday, I can tell she is the support and lifeline for my big brother Dave who is a 100% permanently disabled vet. He relies on her every day.. Throughout all the years of their marriage, I have seen a strong dedication and commitment to each other.

I hope you take note of my letter to attest to Faraday Hosseinipour's good character. She is a great sister-in-law, and a friend who would never steal money from other people. She had previously given me money and opened her home to me when I was in need. She has always been there for me, my family, and everybody else.

Sincerely,
Joseph Manning
